論壇簡介
About the Summit

新冠疫情打擊全球經濟，國際商貿進入新常態，加上地緣關係持續緊張，為企業帶來重重挑戰。國家加快構建“雙循環”發展新格局，並積極拓展粵港澳大灣區和“一帶一路”建設，香港作為國際金融中心和貿易樞紐，將可發揮聯通內地市場與全球商業網絡的橋樑功能。

香港中華總商會為世界華商大會召集人組織三個成員之一，一直與全球各地華商組織保持密切聯繫，並積極為全球華商搭建交流平台，促進區域合作。為促使港商抓緊融入國家發展大局的機遇，並向有意開拓粵港澳大

灣區和“一帶一路”市場的內地及海內外華商企業推廣香港在產業和專業服務的優勢，香港中華總商會今年再度舉辦“2021 中總世界華商高峰論壇”，邀請香港、內地及海內外政府官員、企業精英及專業學者透過線上線下形式與會，共同探討新形勢、新機遇。

“2021 中總世界華商高峰論壇”由香港中華總商會主辦，中華人民共和國國務院僑務辦公室、香港特別行政區政府擔任支持機構，獲多間內地、海外華商及本港的工商團體鼎力支持，並由香港特別行政區政府工業貿易署“工商機構支援基金”撥款資助。

The severe impact of the COVID-19 pandemic on the global economy, the “new normal” for international trade, and continued geopolitical tensions have presented great challenges to businesses. Despite the circumstances, Mainland is accelerating the creation of the new “dual circulation” development paradigm, and actively developing the Guangdong-Hong Kong-Macao Greater Bay Area (Greater Bay Area) and the “Belt & Road Initiative” (B&R). As an international financial center and trade hub, Hong Kong will be able to fulfil its role in connecting the Mainland market with the global business network.

Being one of the three founding members of the World Chinese Entrepreneurs Convention, CGCC has been maintaining close ties with other Chinese business associations from around the world. It has also been actively building exchange platforms for Chinese entrepreneurs worldwide to facilitate regional cooperation. To help Hong Kong businesses to capitalize on the opportunities arising

from Hong Kong's integration into the Mainland's development framework, and to promote the strengths of Hong Kong in various industries and professional services to Mainland and overseas Chinese businesses wishing to tap into the Greater Bay Area and B&R markets, CGCC is organizing the “CGCC World Chinese Entrepreneurs Summit 2021” (CGCC WCES) again this year, inviting government officials, business leaders and academics from Hong Kong, the Mainland and overseas to discuss new trends and opportunities at both online and offline meetings.

The CGCC WCES 2021 is organised by CGCC, with the Overseas Chinese Affairs Office of the State Council and the HKSAR Government as the supporting organisations. The event is also supported by various Mainland and Hong Kong business organisations as well as Chinese entrepreneurs organisations worldwide and funded by the Trade and Industrial Organisation Support Fund of the Trade and Industry Department, HKSAR Government.

繼 2018 年首屆高峰論壇圓滿舉行，我們今年再度籌辦“中總世界華商高峰論壇 2021”。本人謹此代表香港中華總商會，歡迎來自本港、內地和海外的政府官員、華商領袖、工商翹楚和業界精英出席論壇，共商經貿合作與發展新方向。

當前，世界正經歷百年未有之大變局。面對環球政經局勢加速調整和後疫情時期的新常態，國家主席習近平提出加快形成以國內大循環為主體、國內國際雙循環相互促進的新發展格局，深入推進粵港澳大灣區建設，並強化與“一帶一路”沿線國家和地區的務實合作，這些都為本港工商各業長遠發展帶來龐大新機遇。

在背靠祖國和“一國兩制”的基礎上，香港服務業尤其可發揮得天獨厚的優勢。作為國際金融中心之一，香港可協助國家推動金融改革開放，促進大灣區金融科技創新，加快人民幣國際化步伐。香港擁有高端研究實力，可與廣東產業鏈攜手打造大灣區科技創新平台，並透過匯聚與培育科研人才，強化國家科技力量。香港專業服務更可帶動區內制度和行業標準與國際接軌，提升整體服務水平。

華商足跡遍及世界各地，對促進環球經濟互動發揮獨特作用。華商在中國經濟發展亦扮演關鍵角色，在中國外商直接投資中佔有重要地位。香港是連繫中國和世界，特別是海外華商的一道重要橋樑，在世界政經新局勢發展下，香港工商界與海內外華商多年來所構築的龐大聯繫網絡，對推動深層次區域合作將發揮關鍵作用。

今年是“十四五”規劃開局之年，全國“兩會”更通過 2035 年遠景目標綱要，為今後國家經濟和社會發展提供明確藍圖。粵港澳大灣區勢將成為吸引全球資源要素、強化區域協同創新的重要引擎，並透過深度參與“一帶一路”發展，推進區域經濟邁向更深層次合作。透過本次論壇，我們期望能進一步探討提升香港現代服務業在大灣區的獨特優勢和競爭力，並藉此搭建本地工商和海內外華商交流平台，攜手探索大灣區和“一帶一路”市場商機。

本次論壇得以成功舉辦，有賴中華人民共和國國務院僑務辦公室、香港特別行政區政府的鼎力支持，以及中華全國工商業聯合會、中國國際貿易促進委員會、中國僑商聯合會、多個海內外華商團體和本地工商協會的全力協助，本人謹此向各機構致以衷心感謝。

鑒於疫情關係，本次論壇透過線上線下同步進行。我誠摯祝願今天在線上或現場實體參與的各位朋友，透過講者嘉賓的討論與分享，在應對後疫情和國際商貿新常態下的挑戰與機遇得到更多啟發。

袁武

香港中華總商會會長

Riding on the success of the inaugural CGCC World Chinese Entrepreneurs Summit in 2018, we have the pleasure to stage the event for the second time this year. On behalf of CGCC, I would like to extend a warm welcome to all government officials, Chinese business leaders and industry elites from Hong Kong, the Mainland and abroad who are joining us at today's summit, where we will be discussing the prospects for trade cooperation and development.

Right now, the world is undergoing unprecedented changes in a century. In light of the rapidly shifting global political and economic landscape and the post-pandemic “new normal”, President Xi Jinping's directive – to accelerate the creation of a new development paradigm with domestic circulation as the mainstay and domestic and international circulations reinforcing each other; to deepen the development of the Guangdong-Hong Kong-Macao Greater Bay Area (Greater Bay Area); and to strengthen practical cooperation with the “Belt and Road Initiative” (B&R) countries and regions – has presented immense opportunities for the long-term development of Hong Kong's business sector.

Benefiting from the country's support and the “One Country, Two Systems” principle, Hong Kong's service sector is in a favorable position to demonstrate its unique strengths. As an international financial center, Hong Kong can help promote the reform and opening-up of the country's financial market, fintech innovation in the Greater Bay Area, and the pace of the internationalisation of the RMB. Leveraging its strengths in high-end research, Hong Kong can coordinate with the industry chain in Guangdong to create a platform for innovation and technology in the Greater Bay Area. It can also contribute to the enhancement of the country's technological capacity by attracting and nurturing scientific research talent. Furthermore, the professional service sector of Hong Kong can facilitate the alignment of the systems and industry standards in the Greater Bay Area with their international counterparts to elevate overall service level.

Chinese entrepreneurs are active all over the world. They not only serve a special function in fostering global economic interaction, but also play a crucial role in China's economic development. In fact, overseas Chinese entrepreneurs make up an important part of China's foreign direct investment. Hong Kong has long been a bridge connecting China with the rest of the world, especially overseas Chinese entrepreneurs. Under the new global political and economic circumstances, the extensive network built over the years by the Hong Kong business sector and Chinese entrepreneurs worldwide will be key to advancing regional cooperation.

This year marks the beginning of the “14th Five-Year Plan”. The “Two Sessions” have already passed the Long-Range Objectives Through the Year 2035, confirming the blueprint for the country's future economic and social developments. The Greater Bay Area is poised to become a growth engine that will draw global resources and boost regional synergy and innovation. Further participation in the development of the B&R will also propel regional economic cooperation to the next level. Through this summit, we hope to explore further ways to enhance the competitive edge of Hong Kong's modern service sector in the Greater Bay Area and establish an exchange platform for Hong Kong businesses and Chinese entrepreneurs in the Mainland and overseas to jointly tap into business opportunities in markets within the Greater Bay Area and along the B&R.

This summit would not be possible without the staunch support of the Overseas Chinese Affairs Office of the State Council and the HKSAR Government. The event has also received assistance from the All-China Federation of Industry and Commerce, the China Council for the Promotion of International Trade, the China Federation of Overseas Chinese Entrepreneurs, various other associations representing Chinese entrepreneurs in the Mainland and overseas, and business associations in Hong Kong. I would like to take this opportunity to express my sincere gratitude to each and every one of these parties.

This year's summit is being held physical and virtual simultaneously due to the epidemic. Either way I hope all participants will be inspired by the discussions and sharing today to better prepare for the challenges and opportunities arising in the post-pandemic era and new global trade landscape.

中總植根香港，致力構建工商經貿交流平台，維護工商權益。目前會員人數近6,000名，包括團體會員、商號會員、個人會員及聯席會員，經營業務遍及工商各業，形成強大廣闊的商貿聯繫網絡。

中總一向支持特區政府依法施政，並與特區政府各部門保持緊密聯絡。中總亦積極表達商界意見，特別是涉及工商範疇的政策，均透過立法會、各政府部門及眾多公共機構和工商團體的代表，為會員及工商界發聲。中總創立“愛心行動”，同時設立“大學生實習交流計劃”、“少年太空人體驗營”等培育青少年項目，藉此推動工商界關懷社會，實踐企業社會責任。

中總一直致力推動國家經濟建設，眾多成員出任全國人大代表、全國政協委員，為國家建言獻策，屢獲國家領導人勉勵。中總與內地工商機構關係密切，為國家“引進來、走出去”雙向發展搭建橋樑，自1982年起每年舉辦“香港工商業研討班”，為內地培訓適切的經貿人才。近年中總積極推進香港與內地主要經濟區域的經貿合作，對強化與珠三角、長三角的合作尤為着力。因應如粵港澳大灣區、“一帶一路”、“十四五”規劃、“雙循環”等國家發展策略，中總皆適時作出應對，推動香港工商界參與其中。

Founded in 1900, the Chinese General Chamber of Commerce (CGCC) is one of the oldest and largest such chambers in Hong Kong. CGCC aims to serve the community and, advancing with time, to maintain Hong Kong's prosperity and stability, reaching out to the world with its roots in Hong Kong and backing from the Motherland.

Anchored in Hong Kong, CGCC strives to build a business, economic and trading platform and safeguard business interests. At present, it has a membership of nearly 6,000, comprising association, company, individual and affiliate members. With businesses covering a wide spectrum of industrial and commercial activities, CGCC's members form a strong and broad business network.

CGCC always supports the HKSAR Government's administration and maintains close liaison with its departments. It also actively participates in and expresses the views of the business community, particularly on policies affecting industry and commerce, speaking up for members and the business community through representatives of the Legislative Council, various government departments and other public institutions and business organisations. The “We Care · We Share” campaign was initiated by CGCC, which also set up youth training programmes such as the “Internship and Exchange Program for Tertiary Students” and the “Young Astronaut Training Camp” in order to promote business-community care in society and fulfill our corporate social responsibilities.

CGCC plays an active part in China's ongoing development and reform measures and its steady opening-up to the world. A good number of our members are National People's Congress deputies and Chinese People's Political Consultative Conference National Committee members. They offer ideas and suggestions and their contributions are well recognised by national leaders. With a vision of building a “bringing-in and going-out” platform for the country, CGCC maintains close relations with commercial organisations across the border, as well as having initiated training programmes for senior officials and executives from the Mainland since 1982. In recent years, CGCC has made strenuous efforts to reinforce economic interaction between Hong Kong and major economic regions on the Mainland, with particular focus on the Pearl River and Yangtze River Deltas. Meanwhile, CGCC has made a timely response to encourage the Hong Kong business community to participate in the country's strategies such as Guangdong-Hong Kong-Macau Greater Bay Area, “Belt and Road Initiative”, “14th Five-year” Plan and “Dual Circulation”.

As one of the three founding Members of the World Chinese Entrepreneurs Convention (WCEC), CGCC is devoted to promoting the economic network for Chinese entrepreneurs all over the world. In 1993, CGCC hosted the 2nd WCEC in Hong Kong and has been acting as the Secretariat of WCEC from 2005 to 2011. Under the trend of globalisation and the eastward shift of the world's economic power, CGCC is actively facilitating Hong Kong's participation in multilateral economic collaboration. CGCC staged the “Hong Kong Summit” in 2012 and 2017 and “CGCC WCES” in 2018, which brought together government officials, business leaders and scholars from Mainland China, Hong Kong and overseas to discuss Hong Kong's roles in promoting economic cooperation in the region. Overseas forums on regional cooperation were also held in Kuala Lumpur, Singapore, Ho Chi Minh City, Jakarta, Paris, Tokyo, Dubai and Seoul in recent years.

Looking ahead, CGCC will continue to move with the times and fortify its network by fostering closer partnership with business organisations at home and abroad, with a view to promoting Hong Kong as a metropolis characterised by high efficiency and close ties with the global market.
